“ I am going to miss hearing from you Joanne and our conversations and laughs. You lived your life to its fullest never letting all the obstacles you faced stop you. I love you my friend. I wish I could come from Mass. and say goodbye and see Steve but I cannot. My daily thoughts are of all of you.

“ Those we love remain with us For love itself live on, And cherished memories never Fade because a loved one is gone. Those we love can never be More than a thought apart, For as long as there is memory, They will live on in the heart.
