“ *Ma, you will be missed. You taught me so much, in such a short time. I'll miss your cooking, advice and most of all our talks when it was just the 2 of us. I love you. Please give my mom a hug from me and tell her I love and miss her. Praise Jesus*

“ *Always more than a sister-in-law, a true sister in every sense of the word. Never forget her being there for me whenever Erwin needed his first bypass surgery. One of the best cooks I know...almost as good as Mom!!*
