“ Once you had a granddaughter who came with a pair of shoes that read "Daddy." They were brand new, never worn. As you held me in your arms, you slipped the shoes on. You knew your heart was big enough for one more little girl. From that moment on this little girl was gifted with the best father in the world, the best daddy a girl could ever hope for.

I'll always be your little girl, and the shoes labeled "Daddy" will forever be yours.

“ Long ago there was a little girl and an empty pair of shoes. The little girl was your Granddaughter, and the shoes had a tag labeled "Daddy." When you noticed the shoes were empty and unused, you picked them up and put them on. No one asked you to or demanded it of you, you did it because you knew your heart was large enough for one more daughter.

From that moment on you were my Daddy, and I grew up with the best father a girl could ever dream of.

You were a true gentleman, a pure soul, a rare heart. I will cherish every moment, every memory, everything you did to enrich my life. I love you with all that I am and those shoes are forever yours. You will always be my Daddy.

*With all my heart,
Lyn*
