“ *Dear Joey, I am so lost without you. I will miss all our talks about family, friends, and old times. All the things we did together as kids, teens, and adults. You never grew up. Your spirit was always young. You were the pranksters that always made us laugh, even though one almost cost you a toe. I have so many great memories of the great man you became. There was nothing you wouldn't do to help anyone. Even strangers could count on you. The last 5 yrs were very hard for you and everyone that knew you understood that. Now you are whole again. You can do anything you want. There is no more pain. I am so happy for that. Now you have been called home. Your work here is done but someday I will see you and all the rest of loved ones. Until Joey I will remember you always. I love you my wonderful brother. Kiss Mom and Dad for me. Forever your sister Nita*

“ Rest in peace my dear Brother. you will no longer suffer any pain. I will be waiting for you in my dreams to re-live all those beautiful memories we had together. The camping and fishing and even putting that old ford truck motor back in. that didn't make it back in the truck cause that old bottle of jack that was sitting next to us. Playing those card games of war that I still say you cheated. You taught me that it's the little things that mean the most in life. And that family is the most important thing. You was a big teddy bear that had the biggest heart ever. You have made me laugh and cry. Boy the funny things you use to do and say. I will remember you in everything I do, you will never be forgotten as long as I live. I'm so glad God gave you to me as my Brother. So big Brother the time has come for you to go through those gates and knowing you. you will do some funny dance as you do. Give mom and dad a big old kiss and tell them I miss and love them. Rest in peace Brother. I Love You. Love Brenda

“ I love you so much. You were the best Dad in the world. I know I could always talk to you about anything and you were my best friend. I enjoyed all the time we spent together and everything you taught me. I am completely lost without you, but I know you will always be with me. You and Pa were the best family I could ask for. Our time together and all the laughter will never be forgotten. I am the man I am today because of you. I love you and miss you beyond words Dad. Love your son Joe
