“ *My heart is breaking for the family during this very difficult time. Joe was like a grandfather to me! He was granddaddy's very best friend and was always there when granddaddy was sick! He was such a kind person and always had a smile on his face! He loved his kids and grandkids so much and it showed. He never missed one of Taylor's performances! No matter how bad he was feeling, I knew I would see him there! Joe, thank you for being such a wonderful friend to granddaddy, and for being such a great person! You will be deeply missed! Go rest high on that mountain.....*

“ Joe was a great leader, and family man who truly loved the City of Leesburg. He cared for many through the years as a professional and so many counted on him to take care of them in their hour of need. I loved our conversation about the funeral business, Church life and people that we both knew. Joe was always good for a laugh too. To his family--we hurt with you as we rejoice in knowing that Joe is absent from us and present with the Lord.
