“ God Looked around His garden and found an empty place. He then looked down upon the earth and saw your tire face. He put his arms around you and lifted you to rest. God's garden must be beautiful He always takes the best.

“ Dearest Joel, You'll forever be in our hearts. We will miss you so much, especially your wonderful laugh and great sense of humor. If life is measured by the amount of fun we have than I can understand why you left so soon, It seems you used all your fun up at once. You brought so much joy to everyone around you and you will be greatly missed. Love Sis
