“ *Life is but a stopping place, A pause in what's to be, A resting place along the road, to sweet eternity. We all have different journeys, Different paths along the way, We all wear meant to learn something, but never meant to stay..... Our destinationis a place, Far greater than we know. For some the journey's quicker, For some the journey's slow. And when the journey finally ends, we'll claim a great reward, And find an everlasting peace, Together with the lord. Theresa, You and kid's are in our thoughts and prayers. love, Kim & Cody*

“ *Cliff, Rose and Family: We were so sorry to hear about Joel. There is nothing to say at a time like this except trust in the Lord and he will heal your hearts in time. We have to console ourselves with the knowledge that our loved ones who have gone on are in a far better place and are waiting for us to join them. We love you and value your friendship so much. You have always been there for us in our times of need. Let us know if there is anything we can do for you. Your friends, Dink, Liz, Shannon, Chris & Jolie Lynn*
