“ *Lisa, I am very saddened to hear of Joel's passing. I just saw him a couple of weeks ago at the Hughes reunion. I spoke with him and he was as happy as I have every seen him. His work was great and you and his family were doing well. I am so glad to have had my brief visit with him. I can only imagine what you and Madison are going through. You are certainly in my prayers for peace and comfort. I know you have lots of good memories to hold in your heart. No one can ever take those from you. May you be comforted in knowing that Joel is in a wonderful place and that you will see him again one day. He will be watching over you and his family from above. God Bless,*

“ I had the pleasure of working with Joel for 8 years at Hughes supply/HD supply. He was such a great guy, a guy that once you knew him, you could not forget about. He was obviously taken away from us too soon. He will be truly missed. Robin Sarber

“ I am praying for the entire family to find strength and guidance to get you through this time of sorrow and grief. I pray that your sadened heart is filled by the bountiful, precious and glorious memories. Be comforted by the fact of knowing that one day, we will walk him again. If there is anything that I can do for anyone, I would be honored to do it.

“ Tom and I send our sympathy to all the family. To lose a loved one so suddenly and unexpectedly has to be devastating. We are praying that God will send you strength and courage to face the days ahead. Know that you are loved, and allow friends and family to minister to you and to help as you cope with all the aspects of your loss. May your memories of wonderful times and your faith in God's wisdom carry you through these trying days.
