“ *I'm so sorry to learn this - Connie and family. Harlan and I had many chats, some about music, and some about our knees. I'm happy his knees won't be giving him any more trouble! I wonder if Harlan will be an organist for the Heavenly Choir, or if they'll need his beautiful voice back with the guys... you know the tenors and basses are always looking for more men. Blessings to you - Harlan will be missed.*

“ This is Diane Wood. I was a member of University Baptist and remember both of you. I remember that you moved to Paisley before I moved up to Sorrento some 30 years ago. I am so sorry about Harlan. My prayers go out to you and your family

“ I was not prepared for such sad news, but I am happy that Harlan is free from pain and in the presence of our Lord!! I first met him on Thanksgiving Day, 1957. He was 7 years old, and I was soon to be engaged to his cousin, Tom Harlan. Our families have stayed close all through the many years, and Harlan and Connie both have always "been there" for us. Harlan, you were very special to me, I love you and will miss you so much. RIP.
