“ We are filled with a deep sadness yet also an uplifting joy in knowing that Ray loved the Lord and has been welcomed to the great table in heaven. Our lives were greatly enriched and completely blessed by knowing Ray who served as our children's surrogate grandfather and a faithful friend to us. We have so many happy, funny, sad, memories of our time together and our hearts are united with all the Barneys as you celebrate and come to terms with your life on Earth without his strength and gentleness. We are filled with thoughts of his reunion with Larry, Karen and Lauri, as well as his parents, brother and other family. We know that Brionne prepared a place for him at the table and he is basking in the presence of the Lord. Love you all, grieve with you and rejoice with you - Greg and Shelley Clary
