“ *Dad was a good man! He loved and cared for his family. His love of woodworking can be seen in many places from his church, throughout his home and the homes of his children. He will be missed by all who knew him especially his dog Babe. As we say goodbye to him on this side of life, Jesus, Mom and many loved ones are on the other side welcoming him home. :) Goodbye Dad~ We love you and miss you and we will see you again in heaven.*
