“ So saddened to hear about John. We spent many enjoyable times with John and Janet here in the Villages, Fl. A delightful couple, always upbeat, and ready to be involved in improving things in our world.

The Lord has a place for John and we look forward to connecting with him again some day in the hereafter.

Blessings to Janet and family.

*Dear Joyce and Austin,
Somehow I missed your note after John passed and I'm just seeing it now! Thank you so very much for your message and your condolences. It's been almost two years since he passed but sometimes it seems like last week! We had 69 years of marriage and I am so thankful for those years. They went by much too fast but that's life, I guess! I look forward to seeing him again when the Lord decides to take me.*

I'm still here in Mount Dora but often wish I were back in The Villages! I don't get much news from The Villages so I pray that the two of you, plus our many other dear friends there, are doing well. Many Blessings and much Love to all.

*Love, Janet
