“ This is a tragic and sudden loss to all who new my good friend Bill Devoles, whom I lovingly referred to as: Billy Dee Williams, for no real reason other than it sounded cool. Billy was my Father's best friend in the world, and in reality, I have always felt that Billy and his entire family were apart of my own. We will never forget the happiness and joy Billy brought to everyone he encountered. So I'll just say I love you, which I never said before and let it go at that old friend the rest you may ignore
