“ I just heard about John's passing. We graduated together and he was always so sweet and kind to me. I used to tell him there was no need to try and act like a grizzly bear because I knew he was really a teddy bear. Rest in peace, sweet friend.

“ Those of us who knew John, will attest that he was a common man with a big heart. He would give anyone in need the shirt off his back and never ask for anything in return. He always talked about his mother and how much he loved her. I for one will miss you man!
