“ *Hi there .My name is John Hagelberger, I am a current 27 yr. employee of the Biro Mfg. Co. Having known John over many of those years I can recall seeing him walking around the lakeside area or stopping in the old Biro shop area to see the old gang. I remember John as a pleasant person that I always enjoyed chatting with when our paths would cross, he always seemed to have a real interest in people in general. So sorry to hear of his passing. My condolences to all the Dziak family and God bless. John Hagelberger Pres U.A.W. 1120 Biro Mfg.*
