“ My family and I would like to add our condolences on the passing of your father. Jack and Gloria never failed to come and visit my grandmother Freda Tignor. We shared many meals and laughs together. My daughter Kelly fondly remembers him teasing her and calling her squirt. He will be sorely missed. It is so sad to see the older generation passing. Give my love to Gloria. Donna Lehr

“ My thoughts and prayers are with all of you at this time. I remember Mr. Evans so clearly in my mind as a man who always had a quick wit. I will never forget the time Debi and I were out late into the wee hours of the morning in Georgetown and tried to come in quiet but he was awake and wasn't too pleased with us. Mr. Evans was so intelligent and could be very funny. He gave his all to everything he was involved in. He was a family man and I know he will be greatly missed.
