“ *Dear Doris and family, This is very difficult for me to believe. Donald was one of my favorite uncles. One of my favorite memories was being a flower girl in Doris & Donald's wedding and sticking my finger in the wedding cake icing. I was about 5 at the time and someone made sure to take a picture of that one so I always remembered that. Also there was the Christmas at Momma and Daddy Diehl's home in Chillum when the uncles had to play with my toys before I could. They seemed to enjoy them a lot and I could hardly wait for my turn! Many good memories. I am so sad at his passing and send my very deepest condolences. With love, Janet and family I am so sorry to hear of his passing.*

“ *Doris and your extra nice family: We miss him already. It was good to be able to talk to you about the things we remember and what the guys did when they were young. Your memories of the Pumphrey farm and all the things from High School and the reunions. The old stories from Sandra were heartwarming. We will check on you. All our love, Ken and Helen*
