“ *John was a great guy, he was my journeyman through much of my apprenticeship. He knew how to work, but at the same time have fun. He was also a good friend of my dad, who passed away 3 years ago. John will be sadly missed, but never forgotten. When ever I think of John, i can't help but smile. It was a pleasure to have known him.*

“ Dear Family and Friends, We are sorry to hear of John's passing. He was a jovial fun-loving man who was always a joy to be around. We will especially cherish the memories as a family growing up getting together frequently and playing cards on Saturday nights. In his later years his visits to Ohio were too short but memorable. He understandably always wanted to skedaddle back to warm sunny Florida. He will always be an angel on your shoulder to watch over you. Our thoughts and prayers are with you. Love Ron and Linda Pheifer
