“ My sincerest condolences to Peggy and family. I worked with John for many years at the Cook Plant and he was always one of the "good guys". He treated everyone with dignity and respect regardless of your position. I teased him a lot but always in good fun. I will miss the "Chief" and whenever I think of him it is with fond memories. Cook Plant lost some of it's heart when John retired but I will always smile thinking about his retirement "roast", May God Bless you and yours.
