“Joan and I are so sorry to hear of Jack's passing. We were planning a trip to Orlando, and thought we would stop by and see Jack and Ellie. I did a internet search for the phone number, and up popped Jack's obit. I couldn't believe it. Jack was one of, if not my most favorite person , I have ever known. A million story's, and all were nothing but great happy times. I know of no one that touched everyone around him more than jack did. To know him was to love him, and have nothing but fond memories. God Bless Ms. Ellie and the entire hagerty family. We will miss him terribly. Bob and Joan Franks

“ To Ellie, Maureen, Susan, Kerri and the entire Haggerty family . Please accept my deepest sympathies for the loss of Jack. While I will always remember Jack for his humor, it was his kindness, generosity and thoughtfulness that served as a role model for all. Great men come to us in many forms. In Jack's life and by his example, he taught us a great deal about being a great husband, a dedicated dad and a dear friend. As a husband, a father and grandfather I could not have chosen a better role model than Jack. Please know that at this very difficult time and in the days ahead, each of you will be in my thoughts and prayers.

“ To everyone in the Haggerty family, I am so sorry to hear about Jack's passing. He was an incredible man who whenever I think of him, I have to smile. During my childhood, the 2 weeks we spent every summer at the cottage are some of the best memories of my life. Jack was always making someone laugh and was a truly wonderful husband, father and friend to the Calter family. Please know my thoughts and prayers are with you all. I know how difficult it must be for all of you having gone through it myself. You will never stop missing him, but the memories he has left with each and every one of you will help you get through some of the most difficult days.

“ *I am so sorry to hear the news of Jack's passing. I have so many fond memories of Jack...several of when we would vacation at the beach house in Buzzard's Bay which was always the highlight of my summer. We always enjoyed when Jack would take us water skiing, on long walks to the general store and, my personal favorite, to Baker's after mass every Sunday for penny candy. I will also never forget all of the fun and laughter Jack would always provide at my Mom & Dad's annual Christmas party as he portrayed Santa. He was a great entertainer, always quick with a joke and made that party one that nobody ever wanted to miss. He has left us with many great ways to remember him....May all of your happy memories comfort you now and forever.*
