“ *In Memory of John Jeffries February 21, 2010 Joy and I are sorry that Jack has left us. We have known him for the many years he lived down the street from us in the Villages. Jack and Mary were members of our local "Gourmet" Dinner Club and Jack was one of the regulars at our neighborhood poker club. Jack's positive outlook on life and the way he handled his illness without complaint were a true measure of his character. He will be long remembered, and missed. David and Joy Dingee*

“ *Mary, our heart goes out to you and your family. We so enjoyed both of you and visiting and I especially loved Jack's calm ways. Both of you will be missed very much. It will not seem the same now when I turn to go home. I hope you might come visit some time. Please take care of yourself and know that you are loved by many. Who is going to make the good crackers for us now? Sir London and Millon will surely miss you too! Sara*
