“ Brandi and Johnny's friends and family,  
While we knew Johnny and Brandi for a short time, once you meet them you never forget them. Our sincerest condolences from Vancouver, BC. We had the absolute joy and pleasure to meet them both in 2017 on a 5 day motorcycle ride in Canada. We had one of the best times of our lives. Truly beautiful people and we have been truly enriched by knowing them, we are so sad to learn of Johnny's tragic accident. Love from your 'Forever Canada friends'

“ *My first memory of John includes twin Charlie. They came into our gym, Muscle Plus with their cowboy hats on and big bucket belt to workout. They stopped @ my desk and asked me if they could put their hats and belt behind the counter to workout. We said yes of course. They put their roping gloves on and started working out looking @ each other like looking in a mirror. Friendship was created that day. He will be missed by the Weizenecker Family!!!*
