“ My deepest sympathies and condolences to Shirley Kimmons and her family. Mr. JJ Kimmons gave me my first job at Publix when I was 16 and I got to meet up again with him as he was a customer at The Medicine Chest Pharmacy. He always like to kid around and tell us jokes. I will truly miss him. Keeping your family in our thoughts and prayers

“ My sympathies to his family. I worked with JJ at Lowes and I will never forget his smile and his jokes. :) He always had Werthers candy in his pocket for a sweet fix and advice when you needed it. He was a truly special person and will be missed. Many blessings to his family.

“ So very sorry to hear of JJ's passing. We worked together at Lowe's and I will always remember him. He never failed to seek me out to tell me a new joke he heard and was always anxious to tell it and laugh with me. Rest In Peace my friend. I will keep his wife Shirley and his family in my prayers during this difficult time.

“ Daddy, I love you and I will miss you terribly. My only solace is that you can now be with Kathy. Knowing you are together makes my heart melt. I will remember all that you taught me and I will live a life you will be proud of...I am such a loss of words but that is ok too because I know, deep in my heart, that you know how I feel for you and, again, that I miss you so very much. Love Karen
