“ *Uncle John was such a special person and I will miss him dearly. Even though we didn't get to see each other often, the talks we had were so dear to me. I wish there could have been many more. I know you are watching down on each of us and know that one day we will see each other again.*

“ *Our family would like to express our deepest sympathy to you all and let you know that we have been blessed by knowing John for these many years.....sad to say so long but always optimistic when our time comes....that he will be the Gentle Angel who will hold the door open for us to come thru to the other side.... Your family will miss His presence and the Light he brought with Him to this world... WHEN I look to the heavens and see the stars I will wonder where his light is NOW....As always with Love John's Friends from Jersey The Gianni's Mair , Joe, Alana and Joey*
