“ I am saddened to learn of the passing of your Dad, (my Uncle). He always had a smile for his nephews and relatives. He was instrumental in supporting my early career and encouraged furthering my education.

I will have fond memories of him and know he is now with his Family in Heaven. RIP

“ I've always remembered the picnics and family outings in your back yard growing up. The woods behind your home and the cellar doors to your basement. Your yard was so well kept it was like walking on a cushion of air. Remembering your mom when she lived with you as well. Your home had the best baking and cooking aromas I've ever encountered. Memories stay with a person for all time. Rest in piece Uncle John; enjoy the reunion with your parents and siblings. Than you for being my uncle.
