“ I appreciated reading about this very beloved man whom I never met but am related to. I was researching another LaBuy relative but saw John's photo and was struck by his smile that seemed somehow familiar. May he rest in our Lord's arms in peace. That smile could have been my late father, James Leonard LaBuy's smile-so similar!

“ I was shocked to hear the news of John's passing. We worked together back in the day, and were car pool buddies. He was a good guy, and a great family man. My condolences to Cindy and the kids.

My sister Nancy and I are so glad we got together with our cousin John on our way back to Chicago from Estero, Florida. We had a wonderful luncheon reunion and talked about old times.
