“ *You lived your life strong and full. At 96, you saw the world change for the good, bad and different. For those of us whom were blessed to have the honor of your love, it will forever be treasured. Your smile, your laugh , your love and your fresh baked bread will be missed more then words can say. Thank you for lettiing me be a part of your life. I am a better person because of you. I love you Johnny! Rest in peace!*
