“ *Pappy we are going to miss you, all your life you gave us all you had we didn't have the best we always had food clothing and shelter, you taught us right from wrong most of all you taught us compassion and how to be kind to others. I remember the time we had a dog named Sport there was no dog food in the house you gave part of your dinner to the dog so he will not be hungry. That was the kind of person you were. I remember all the times you spent with your grandkids they really enjoyed those times. It seems all your life you spent time helping others. I just hope I can be half the man you were. Now that you have gone on to claim your reward in Heaven we will keep you in our hearts and minds Until we meet again REAST IN PEACE LOVE YOU With Love Your Son Howard*
