“ We're so sorry to hear about John's passing. We loved seeing this wonderful couple every night at Lake Sumter Landing. They would listen to the music, dance when they could, and share with us their generous nature. Eileen was such a good caregiver and loving wife. We will miss John's sweet disposition around the sales office. He certainly brightened our day. Blessings to his wonderful family.

“ John's many friends and colleagues from the Massachusetts Chiropractic Society send their condolences to Eileen and Jackie. John was such an integral part of his profession in the state. More than that, on a personal level we remember so many good times filled with laughter, especially during the fight for licensure. A part of our history truly died with John, but the contributions he made will be with us forever. Tom and Sandy Perrault
