“ *John and I were truly #1 best of friends. Close like no other. I am so glad I talk to him Tuesday and yesterday. He was all smiles on the phone. I miss him and God is now taking good care of him now. One day it will be my time and I know the first person to greet me will be my best friend, Johnny with that smile. “ McNeill Family, I wish I could be there physically during this difficult time....but I will be there in spirit. Our family has had many good times together and we share and support each other during our difficult times. I love the picture you have of Johnny and I think he is now living the life he was ment to live all along. He was very proud of all the accomplishments of his friends and family and shared them with all who met him. You will be missed Johnny!!!
