“ My heart was very sad this morning. A friend just emailed me the obituary for Phil. I know there is great comfort in knowing that Phil is now in the presence of our great Saviour Jesus Christ. Phil so often spoke of his love for the Lord and his wonderful family. My life was richer having known Phil. I will be praying that the Lord will grant continued comfort for all of his family.

“ To Suzanne and Family of Philip. As your class member I am sorry to hear of Philip's passing. But as Christians we know we will see him again. We also know he would not want to come back here. From where he is now. Know it will only be a short time for him. Before he sees you again. And he is Happy and in a healthy body now in the presents of Our Lord. Jean

“ Jeff and family: Your dad was a loving and kind man of God. He gave so generously of his time, talent and treasures. There will always be a special place in our hearts for him, as he was the one who baptized Ken. May he rest in peace.

“ My regrets and condolences to Phillip's family. We had a lot of great times and memories during our high school years together; especially during our junior year as football managers. He was a great friend, and I am really saddened by his death.
