“ Dear Nancy and Family, We are so very sorry to hear of Jack's passing. We both worked with him back in the day at IBM before we all retired. We knew him to be a very fine man and professional IBMer and manager. He could always be counted on. May he rest in peace.

“ Our sincere condolences to the family. Jack was a wonderful husband, father and grandfather. We know he counted himself lucky to be blessed with such a loving family. Every man should hope to emulate his life. He made us proud to be Irish.
