“ Family of John Pendleton: Please accept my Condolences upon the loss of John. I relieved John as the Commanding Officer of USS Tringa and have many fond memories of our turn-over and the visit to your home on Fishers Island. I saw his Obituary as a link on another Tringa Site that I was looking at. Pat and I have retired to San Diego and often think of the fine people we served with over my career in the Navy. “ I have many fond memories of Uncle John, and he had a great influence on my life. I joined the Submarine Force out of high school because Uncle John seemed to have loved the Navy so much. He gave me my first Navy flattop haircut when I was about 8 years old. Of all the haircuts I've gotten over the years, somehow I remember that one. I am so happy that I was able to visit him earlier this year. I will miss him. Love, Ludwig
