“ Dear Freida,

Sending our deepest sympathy to you and the entire family. We have some wonderful memories of you and John when you lived in the Mt. Carmel area.

Jerry loved playing golf with John at the Bays Mtn. Golf Course in Church Hill; he commented John was always methodical and did things right....always a thoughtful and kind gentleman, he was such a pleasure to be around and one you looked forward to being around and playing a round of golf with.

As we watched the video you put together, it was so good to see you and John enjoying life with your family and friends. It also brought back memories of the Scott family, especially David, Judy, and Susan that we went to school with.

Our thoughts and prayers to you and your dear family.
