“ I have numerous good memories of Jack - He was the sort of person that you'd wish to have for a neighbor. As we get older, the shocks of losing good people become more common but each loss is a setback.. Your marriage to Jack was a good one, and a long one. A person must look ahead in situations like yours; I hope that looking back to all the good times will serve to be a comfort.

“ Eileen and Family, I was sorry to hear that John had passed. I remember playing with Phyllis when we both lived on South Grove Street in Ripon and John coming home from work at Speed Queen. He was always so nice. You and your family are in my thoughts and prayers at this difficult time. I would love to hear from Phyllis when things quiet down for her. Take care.
