“ I am so sorry for your loss. Mr Veltman was my 5th and 6th grade teacher in Germany in the early 80's. He was my all-time favorite teacher. I only wish I could have told him so. I will never forget his humor, bingo nights on our ski trips with him singing 'before the dawn will bloom, I will love you...' every time he drew B4, and his wintergreen Velamints. He is greatly missed.
