“ My family sends prayers and sympathy to your family at the loss of your father. I never met him but I spoke to him over the phone a few times when he was doing research on his family tree. My mother (Ernestine) was JE's cousin and I know they spoke often when your grandmother was ill. She visited aunt Irene as often as she could.

“ Frank enjoyed working with John at the data center in Bethesda. John and Dottie were always a lot of fun. Diana I think Frank stood in for the Godfather of your first child! John liked to argue with me about Florida lobster vs New England lobster! Our sympathy to you and your family. God Bless

“ Diana, I am John's nurse from a couple years ago. What a dear man he was. Always loved visiting him or running into him in the hallways. Please know you and your family are in my thoughts and prayers.
