“ Back in the 70's, Giff and I were at the bar in the Nile Hilton in Cairo, Egypt. Who should walk in and sit down next to us but Jack! We hadn't seen our Pittsburgh neighbor and friend in a long time. He brightened that day and many others. He was a delight to know and is a delight to remember. Eunice, June, and Holly, my condolences to each of you.

“ Today the Commissioner of Knudson Softball for Knudson Field announced Jack's passing and the upcoming services at St. Timothy. There was a moment of silence as each player and each spectator held his/her hand over their heart facing the American Flag. The flag is flying at half-mast.

“ Dear Eunice, June, and Holly, I am so sorry for your loss. The last time I saw Jack was when he came to Colorado for my wedding in 2005 , and he was as boisterous and as full of life as I remember him being when I was a kid. He and my husband Brian really hit it off and had enjoyed each other's company. You are all in my thoughts and prayers. Laura Reynolds

“ Marge and I would like to offer our prayers and heartfelt sympathy to you Eunice and to daughters June and Holly as well as to Norma, Ted, and Allan and the spouses and grandchildren. Jack was a very special person with a wealth of knowledge that he shared with others in his social circles. He had a gift to express himself clearly and logically and educate those of us privileged to be in his company. Although his journey this past year was most challenging; he maintained his wit and intellect through it all. A devout and caring catholic, Jack went out of his way on many occasions to help others. Marge and I are available, as you know, to support you, Eunice, in every way as you continue life's journey through this transition process.
