“ *We were so sorry to hear about uncle Jack. He was always so good to us and I am there is no way to help with the loss you are feeling. If there is anything that we can do to help you out or ease the pain, please let us know. We love you and Bella sends her love. It is a shame Emil never got to meet uncle Jack. I used all of my vacation time and sick time at work when Haley was sick or I would have been on the first plane down there. It really made me cry when i heard the news. Hopefully we will get to see you soon and please call if we can do anything for you. All of our love, Frank, CarolAnn, Isabella, and Emil Pritchett*

A again I miss you dearly but find comfort in the fact that you are at peace and now have your wings to fly with the angels and be with our Father in Heaven. Love always your daughter Vicki

“ Hey Dad, well I missed being able to call you on Fathers Day--it really seemed strange not to pick up the phone and call you and hear you say "hold on a minute" while you removed your hearing aid--Lol. Mom and Steve went down to see you on Fathers Day. They sent pictures of your memorial wall with your name and all--you would have been so proud or i should say your proud cause i know your looking down and seeing it. Well I guess that is all for now. Mom, Steve. Laura and I are holding on ok--we all miss you very much but know you are now at peace and no pain. I Love You Dad

“ Well Dad it's been a rough year but we are all holding on. Since you have left us I have moved to FI to be with Mom and Steve and Laura has moved on to Missouri to be with Robert and his family. Thanksgiving was ok but not the same as if you were here. Mom and Steve had a permanent flag placed in the front yard on Memorial day in memory of you. You would be so proud. We went to visit you on your anniversary--Mom was ok but I don't really think she wanted to be there--to many memories. Christmas came and went--it was hard--wasn't going to put up Christmas then Mom decided out of the blue to do it--I think Steve and I had something to do with that. Steve put lights on the house outside and I know you saw what Mom did to the inside of the house--not as much as in the past but some. Christmas day was nice--I went with Mom to church that day and remembered what Christmas was all about--the birth of Jesus Christ or saviour and knowing you were there with Jesus on that special day. We did miss you much and I know Mom did also even though she says everything is okay we know she's having a hard time--never shows her emotions. The New Year will be here in less than a week and we will make it through that day also. Well guess I've got you caught up on everything. I know you are at peace now and get great comfort in that but still miss you very much. Love your daughter Vicki.--P.S.--"Fly With The Angels" with a smile on your face.
