“ *Mary and family, There are no words that can express the sadness of the loss of such a dear friend. He was a good man and when Johnny Martin was your friend you knew that you had someone in your life you could count on. There was never a time that I asked him for help that he wasn't there for me. We had a special bond a group of friends that became an extended family. I will miss my dear friend. I feel blessed to have had him in mylife, the time was just to short. My thoughts are with the family.*

“ Johnny the last 15 yrs of working w/you have been an experience. I will miss you dearly. My fondest memory is how much you loved to sing on and off key. You always stated you didn't care about certain things but over and over you showed that you really did. Thanks for going the extra mile many times. HD just won't be the same with you not there.

“ I worked with Johnny in Ocala branch for about 5 yrs and also detailed cars with him on the weekends. He was a great friend to me and we still stayed in contact with each other after I moved to NC. He was a great friend to me and my family and he will be greatly missed by me and many others. I give my deepest condolences to his family and hope that they know how much he meant to many people. I remember we used to play basketball at his house when we finished detailing cars and even though hes was only about 5'5" and I am about 6"2" he always somehow seemed to beat me. I loved him and will miss him greatly. Best Wishes to his entire family.

“ Myself and children will miss Johnny very much. He was a fun person to be around. My kids fondly remember him as "car wash boy" a nickname they gave him years ago. His smile and warmth were both well received, a true friend and great fellow employee for many years together. God bless you Johnny
