Obituary of Jonathan Ricker

Jonathan Mark Ricker went safely and securely into the arms of God on August 24, 2010. He was 28 years old. Jonathan was a lifetime resident of Lake County, Florida. Jonathan owned Jon Ricker's Painting in Leesburg. He spent his childhood playing and exploring in his grandparent's fields in Lady Lake. Jonathan was a gifted student who enjoyed art, music, and playing sports. As a young man, he was thoroughly committed to both his family and friends. Jonathan was very generous and enjoyed helping others. He led a ministry to Savannah Manor in Leesburg, where he would often go a couple times per month to play Bingo and visit the elderly residents. Jonathan believed in speaking ones' mind, living life on the edge, and loving his friends unconditionally. Jonathan will be greatly missed. He is survived by his wife, Danielle Parker Ricker; his parents, Dell Ricker and Mark Ricker; grandparents, Claire Ricker, Alice Vanderhorst and Robert Vanderhorst; brothers, Steven Ricker, Adam Ricker, and Nathan Ricker; sister and brother-in-law, Krista and Ricky Fay; sister, Isis Ricker; and cousins, nephews, niece and many other family and friends.

“ To Jon's Family: Jon and I have been out of touch for several years, but I have always considered him a dear friend and often think of him. We met in middle school when Jon joined the Gifted classes at Carver Middle. He was a great friend and I can recall so many funny memories of our little group because Jon always made class interesting. He is deeply missed, but I hope you can rest today in the assurance that you will see him again in eternity. Praying for you during this time and very sorry that I won't be able to make the services on Saturday.

“ Dear Mark & Dell, We cannot express our sympathy deeply enough. The loss of a child is the greatest heartache a parent can experience. The Lord who experienced such loss must have a special plan for Jonathan just as he did for his own son. I know he will ease your pain and guide you through this sad time. My Dad always said it's hard on the one's left behind, but Oh, what Glory for those who have left us!

“ Deat Ricker Family, Your loss is so great and felt by so many people who knew & loved Jon. Our hearts grieve for you. We are thankful for His promise, God will never leave us or forsake us. May you know His peace & strength in the days ahead. We recall many Lance & Jonathan moments. Some funny, some scary and some only they will know (thank you God.) They have become memories of a friendship that endured much because they loved each other much. Our prayers and Love, Jim and Stacy Hanson

“ To my dearest family, some things I'd like to say... but first of all, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you." It's good to have you back again; you were missed while you were gone. As for your dearest family, they'll be here later on. I need you here badly; you're part of my plan. There's so much that we have to do, to help our mortal man. God gave me a list of things, that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night, the day's chores put to flight. God and I are closest to you....in the middle of the night. When you think of my life on earth, and all those loving years because you are only human, they are bound to bring you tears. But do not be afraid to cry; it does relieve the pain. Remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned. But if I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is o'er. I'm closer to you now, than I ever was before. There are many rocky roads ahead of you and many hills to climb; but together we can do it by taking one day at a time. It was always my philosophy and I'd like it for you too... that as you give unto the world, the world will give to you. If you can help somebody who's in sorrow and pain, then you can say to God at night....."My day was not in vain." And now I am contented....that my life has been worthwhile, knowing as I passed along the way, I made somebody smile. So if you meet somebody who is sad and feeling low, just lend a hand to pick him up, as on your way you go. When you're walking down the street, and you've got me on your mind; I'm walking in your footsteps only half a step behind. And when it's time for you to go.... from that body to be free, remember you're not going.....you're coming here to me. Ruth Ann Mahaffey (author) © Copyright 1998-2010 <http://www.ruthann1.com>
