“ I did not know Joni but I can tell how very precious she was. Her field of being an activity director is a very special calling. She obviously was a people person. Only a compassionate and Godly person could fill those shoes. May the family reflect on all the joys of her lifetime. Memories live forever an everlasting. I pray that the family find comfort and peace tthrough God and His angels.Amen.

“ I am so sorry for your loss. May the 'God of all comfort' be with you and your family during this difficult time. At 1 Corinthians 15:26 the Bible promises that very soon 'death will be brought to nothing'. Then, we have the prospect of being reunited with our loved ones right here on this earth {John 5:28,29}. I truly hope this has brought you comfort and hope. With deepest sympathies, Gracin and family.

“ I had a chance to spend some time with Joni when I first moved back home. It was like no time had passed. She looked so much the same. Beautiful, loved her laugh and her smile. She always made me feel special. Like so many others. I will forever remember and continue to think of her as we did so many "firsts" together. I grew up with her. My heart aches but I know she is in a better place and finally at peace. Please accept my sincere condolence for loss. My thoughts and prayers are with you through this time. Rhonda Morrison

“ i am so sorry for your loss. I was her nurse when she was pregnant and she was always so happy and had this infectious laugh. We always looked forward to her appointments. I loved going into Joni's Cafe and seeing her. Even when she was swamped she made time for a quick chat. She will be missed.
