

Jose Antonio Ledesma Jr.

December 17, 1987 - April 8, 2026

Jose Antonio Ledesma, 38, passed away on April 8, 2026. He was born on December 17, 1987, in Manhattan, New York, to his loving mother, Jeanette Gonzalez-Velez.

Jose was known to everyone who loved him as a gentle giant—an incredibly intelligent, creative, and kind soul who brought joy to everyone around him. A devoted son, he was a “mama’s boy” through and through, sharing a special and unbreakable bond with his mother.

As the second oldest of six siblings, Jose naturally stepped into the role of protector, nurturer, and role model. He was a great big brother—someone his family could always count on. Thoughtful, gentle, and dependable, His kindness left a lasting impression on everyone who had the privilege of knowing him.

Jose found happiness in the things he loved most—playing video games, watching anime, and building detailed figurine models. He also had a natural talent for fixing things and helping others, always using his skills to make life easier for those around him. He had a deep love for animals and cared for many throughout his life, including snakes, dogs, and cats, —any animal he had, he treated with patience, compassion, and genuine affection. His personality was a beautiful mix of strength and playfulness; he was goofy, fun-

loving, and brought light into everyday moments.

As a loving son, brother, uncle, and nephew, Jose meant so much to his family. He had a quiet strength and a warm heart, always showing compassion and patience. He had a unique way of making people feel comfortable, safe, and cared for, and his presence will be deeply missed.

He was preceded in death by his great-grandfather, Fernando Ramos; great-grandmother, Aurora Ramos; and grandmother, Carmen Ramos.

Jose is survived by his beloved mother, Jeanette Gonzalez-Velez; step-mother, Matilda Adames; his aunt, Bernadette Beltran; and his siblings: Erica Torres and family, Joshua Garcia and family, Semaya Garcia, Taina Velez and family, and Bounitt Velez and family, and Aaron Ledesma and family. He also leaves behind many extended family members and loved ones who will forever cherish his memory.

Jose will always be remembered for his gentle spirit, his protective heart, and the love he gave so freely. His memory will live on in the hearts of all who knew and loved him, forever.

“Nene” you will never be forgotten and I will always cherish the memories. Becoming my brother from another, when you all took me in Virginia. You were as everyone describes “the nice one” as Josh was “the bad one”. Words could not describe how in debted I am to have met you all. From after my duty hours, late night madden nights, getting put on timeout with you and Josh and having breakfast, lunch and dinner. I will never forget any of it. I just wished you were in Florida when I visited, to also give you a hug. I LOVE YOU BRO! I’m sorry for all the years I was away. I should have done more. GOD REST YOUR SOUL! I will forever miss you but will always keep your name and memory alive.
