“ Dear Cliff, We are surprised and saddened that your dear Pucha is no longer with you and us at R. H. We all knew her to be delightful, friendly and someone everyone spoke so highly of. We are glad we had the opportunity to know her even a little. Our prayers are with you.

“ Dearest Friend of 54 years I will miss you. Many fond memories of our time together at St mary Academy, Monroe, will always be with me. It was wonderful to find you living near my sister in Leesburg, and to see you at our 50th class reunion last year. May God take care of your beloved Cliff. Rest in Peace. Andrea

“ To the surrogate mother I appreciated so much. Thank you for all of the wonderful times we had together, for the hours we would day dream on the patio of all the fabulous places we were going to and all the exotic food we were going to eat. To the countless hours of mother daughter conversations that helped us get through some of the hardest times in our lives. Pucha you will now know what you meant me, how much I love you, admire you, envied you, all the aspiring things you wanted for me to accomplish, I will keep all my promises to you Pucha, as you had done the same for me. You touched my life in such a positive manner. I am a better person for knowing you and I will continue to make you proud of me everyday. I love you with all my heart and soul and will miss you everyday. I know you are at peace, I know you are with your Pappa and dancing on a sunset beach. Goodbye Pucha
