“ *My loving brother Beto , nieces and nephews. Take comfort in knowing my sis in law Fina is at peace and rejoicing with our Lord and with rest of our Loved ones.*

Get comfort in knowing she was truly Loved and respected by everyone she came in contact with.

Her Heart of Gold will not be forgotten , as for me, I will forever be grateful for her Love and care and the special bond we shared not as sister in laws but as mother / daughters love. She has been in my life as a 2nd mom Since I was born . I will forever love you and miss you Fina Pedraza 🙏

My family, know I'm here and just a phone call away or trip back to Florida if need to .
