“ *Jenny and girls,*

I am sorry first of all for your loss. But I am also sorry that I was not able to attend the Memorial Service fore Joe. I recently was in the hospital for over a month and right I am able only to get around with a walker.

I considered Joe one of my best, if not the best friend I ever had. We had a lot of things in common. I really missed Joe when he moved to Florida and would often wonder how he was getting along.

Please accept my heart-felt condolence and know that I will continue to pray for the family.

“ *Dear Family,*

It was sad to learn of Joe's passing. He was a fine supervisor and I enjoyed knowing him as a fellow worker at the Post Office. We often shared some good laughs. My thoughts and prayers are with your family. Steve Llewellyn

I was very sad to read about Joe's passing. I will always remember our time at the Post Office and the valley ball games.

“ *A kind man with a big heart, that was my friend of 60 plus years Joe Bayne. He will leave memories spanning decades and all of them good, from the first Mountaineer game in the new stadium to our first cruise with our wives. May God Bless Jenny as she deals with the loss of the love of her life. Bob & Jill Barnes*
