“ *Dottie, Although we haven't know each other long, you and Skeets will always hold a special place in our hearts. We were blessed to have had the opportunity to "love on" Derek and enable him to stay in his own home when you were in New York caring for Donna Marie. You are in our thoughts and prayers. With God's grace, as you face these future days, remember that Skeets and Donna Marie would want you to take care of yourself, as you so lovingly cared for them.*
