“ Joe: You will always be the love of my life. Although you are no longer with me, I feel your love daily. This will be my first Christmas without you and I will miss you terribly. You were the best husband that any woman could ever ask for and your unconditional love for me was one of a kind. You were my blessing! I will love you forever!

“ Betsy, Autumn, and my sister Sally, My heart is breaking with such pain. I am so far away to be there completely for you. I still see a little 4 year old with the biggest happy smile and deep dimples holding a heart with rings. A 17 year old teenager, holding me in my tears at our father's funeral. He was always there...always helping me with our Mom. Joe helped me in so many ways unsaid. Joey is watching over you in glorious peace with his beautiful smile and grace. My brother, Joey, I will see you again... I love you, Your sister, Dona

“ Dear Sweet Missy, For you we feel such a deep sadness at the loss of your Dad. Each time we saw him, he would be quick to show off pictures of you. What a beautiful young lady you are. He was very proud of you! Your Dad was a good man. He lived his life full and with no regrets. He would liven up the room when he walked in. He was our friend and we will miss him. We hope you will keep your faith during this difficult time and remember how much he loved you! Our hearts go out to you, Jordan & Debbie Hypes

“ Dear Betsy, Jordan and I are very sad to hear of Joe's passing. It still doesn't seem real to us. He was such a big part of our lives in the early years of our relationship. He was the "Best Man" in our wedding over 26 years ago. We are happy Joe was able to open up "Acoustics" and see one of his dreams come true. Joe was always about "Let's get together and JAM!!!" We will cherish our memories of our friend Joe. We're glad he had you Betsy to share these past years with him. May God grant you peace. With our Love & Sympathy, Jordan & Debbie Hypes
