“ My heart is so broken right now. I still want to believe that this is a bad dream that I cannot wake up from. Dad we have made so many memories together over the years, and it still hurts to know you are not here anymore. My heart is broken into a million pieces and I miss you so much! I know you are walking the golden road and you are now reunited with Nana, Grandpa, Uncle Bill, Uncle DD, and everyone else. I hope you are having a blast with them. Hunter and Rylynn love you so much! Until we meet again daddy...we love you infinity forever and always no rewind!

“ I still can not believe you are gone ! But I know you are in a better place and you are not suffering anymore. I will miss the hundreds of times you would call me everyday and think oh my what now 😊 Now I would give anything to just to hear your voice one more time to know you are ok but just knowing that I will see you again one day makes it easier ! Don't worry about crystal she is so strong and will be just fine . We will help each other though this ! As I write this the tears will not stop you were my last brother and now it is just me left of the four of us ! I hope you and mom , David and Bill are up there having a party !! We love you and can't wait till we see each other again . Your sister Polly
