Obituary of Joseph Kauska

Joseph Paul Kauska, 31, of Lady Lake died in a tragic accident in the early hours of August 17, 2013. Joseph was born August 15, 1982 in Ocala, Florida. He graduated from Leesburg High School. "Joe" was a resident of Florida most of his life.

Joseph is survived by his parents Patty and Bobby Boyd and Tim and Patricia Kauska. He is also survived by siblings Taylor Boyd, Trevor Boyd and Quentin Kauska. His grandparents Jane and Robert Boyd, Charlotte Lundy and Robert Kauska were very special to him. He was preceded in death by grandparents Philip Lundy and Pearl Kauska.

Joseph spent many summer vacations in northern Michigan at Torch Lake where he visited aunts, uncles and cousins. He enjoyed having fun with friends, riding his motorcycle, driving his truck and just hangin' out.

Technology was an interest and a practiced skill.

Joseph's warm heart generated a gentleness for the people he loved. He was loyal to his family. He loved God.

“ I am so sorry for your loss! I cannot imagine what you must be going through! I have been friends with Joe since 9th grade. He was such and amazing person. The main thing I remember about him is his smile... I felt like he could light up the room. He was such a great friend and always cared about others. Any time I talked to him no matter what, things were better! He just had that personality that made you feel good! I know I speak for everyone that ever knew him when I say I will miss him so much! Love you Joe! You impacted my life more than you know! Thanks for always being a true friend! ~Sarah

“ To one of my closest friends: Dang it JoeFish!!! :(I wanna talk to you just one last time :(I would tell you that I sure am gonna miss your sweet smile and caring heart!!! Thank you sooo much for always being such an amazing friend - you ALWAYS had my back. I love you and will miss you SOOOOO much!!! I know I'm selfish for rather having you here but there's sure no better person to be watching over me from above. I'm so happy to know you - you made my life better!!! Ride high my friend. To your family: I pray for healing. I know that you are surrounded by love ones and I hope that you will find peace in celebrating his life. He is now with the Father and for that we should rejoice. He always did have to try to outdo, and he def did - he beat us to the wings and is flying high (maybe just riding on a motorcycle through the clouds with his wings spread! :). To Maddi: I hope you always remember what an amazing daddy you had. I know your family will remind you of that and how much he loved you. You were the center of his world! Congratulations on having the best guardian angel every sweetie.

“ I am stunned by this news and my heart is breaking for all of you. Patty, words cannot be found to express my sympathy and/or provide any healing at this moment. I am so sorry. I have only a sliver of the grief that you have and will experience and that sliver still rips me apart on any given day with the thought of my sons. The only thing I can tell you is that you will survive. You have to survive for Joseph, your granddaughter in order to keep her daddy's memory alive for her and for your other sons, Bobby and your family. You are strong as steel. You always have been!! remember to allow yourself to fall apart when you need to and let others help you. You have grieved before but there is NOTHING that will ever be like this grief. You are and have always been in my heart, I adored you as Heidi's big sister and wished I had had a sister like you. I listen to Fleetwood Mac because of you! I believe that we will reunite at some point with our loved ones...I don't know when. I don't know how....but you will always carry them in your heart until that time and beyond. Much Love, Katie

“ Through the good times and the bad times we always came together for our baby girl. The light of our lives. Every time I see her, I am reminded of you but until tonight, I still couldn't believe you were gone. Your family and I will raise Madison to be a beautiful, caring young woman who will always remember her father. A father who loved nothing more then to see her smile. Thank you for being in my life and for giving me the most wonder gift...our daughter. There will forever be a place in my heart for you.

“ I worked with Joe at Encore and talked to him every weekday for about two years. We were able to meet when he came in to Dallas. Joe and I became friends and continued to talk occasionally after I left the company. I was stunned today when I found out he had passed. He was a great man and I'm a better person for knowing Joe. My heart goes out to his family and friends. He talked often about his daughter, I know he loves her very much. I'm sure he is looking over her now. I'll miss you Joe!!
